BRD Wind and Shade Systems

Warranty Statement

Thank you for purchasing your Apollo Power Screen(s) from BRD Wind and Shade Systems. We take your business seriously and hope to provide you with the best service possible. The best way for us to do that is to provide you with the warranty information so you are informed and up to date on your product.

The Warranty from BRD Wind and Shade Systems is as follows:

1. We will always follow the manufacturer's warranty, and provide you with the same quality that the warranties from our manufacturers provide. This will include all pieces and parts of the item that are warranted to be free from manufacturing defects as the manufacturer warranty states.
2. Accidental Damage is exempt from all manufacturers' warranties.
3. Any damage caused as a result of BRD Wind and Shade Systems will be repaired or replaced at no cost to the customer.
4. When we perform warranty service we will endeavor to repair your power screen(s) in the best possible way but with the lowest cost to the customer.
5. Maintenance and Care of your equipment is the sole responsibility of the owner and is described in the maintenance guide, which is provided.
