## AIRCRAFT RENTAL AGREEMENT FOR: N736VJ and N739UN

11. The enter shall not fly the aircraft until he or she has done a complete pre-flight inspection and run up and is satisfied that the aircraft is in an airworthy condition and that all required equipment is in working condition. The renter is responsible for ensuring that sufficient fuel and oil are onboard the aircraft for the proposed flight. Minimum landing fuel is one hour reserve.
12. The renter shall operate only from paved runways.
13. The renter shall provide a tie-down or hangar at each point of landing and lock the aircraft whenever it is unattended.
14. In the event of mechanical malfunction of the aircraft the renter shall contact the owner for procedures to be followed. In no case shall the renter be authorized to any maintenance or allow ANY OTHER PERSON to do any maintenance of the aircraft without such prior approval. Aircraft owner is "not" responsible for transportation back to KHII in the event of mechanical repair to the rented aircraft.
15. The owner has insurance primarily for the benefit of **WCA**, its owners and employees. The policy does not provide any coverage to the renter, who may be held responsible for not only the owner's deductible, but for all damage and liability which was caused in part or in full by the renter's negligence. **We require the renter/solo students and or PPL to purchase non-owner/renter's insurance with aircraft coverage and provide a copy to WCA (AOPA,AVEMCO,SKYWATCH AI insurance companies are suggestions only) \$75,000 aircraft insurance coverage up to replacement value of \$185,000 recommended.**
16. The agreement shall continue in full force and effect until terminated by the owner. The owner reserves the right to terminate this agreement for any reason.
17. The renter warrants that all the information provided to the owner is correct to the best of his or her knowledge and that if material change occurs the owner will be notified immediately.
18. **WCA** may refuse to rent an airplane at any time if they believe the renter is not competent for the proposed flight. For this purpose, competence includes the necessary skill, knowledge, judgement, or physical ability.
